

2022 ANNUAL REPORT

Research • Awareness • Support

*"True angels sent
from heaven.
Thankful for all of you!"*

- Survivor Supported
through LCBF

*"I'm very grateful to
LCBF not only for the
financial assistance but for
also letting me know there are
a lot of people cheering me on
and walking with me through
this challenging time."*

- Survivor Supported
through LCBF

*"The financial burden of
fighting cancer for 3 years
while living on a limited fixed
income has been devastating to all
aspects of everyday life. [It] becomes
a basic choice between the barest of
substance or the required medical
needs. ANY financial aid during times
like this is a TRUE BLESSING."*

- Survivor Supported
through LCBF

*"I have so much stress in
my life, but your organization
has taken one of the very big
ones away the last two months-
making sure my bills get paid!
I can never thank you enough
for this help!"*

- Survivor Supported
through LCBF

PROGRAM HIGHLIGHTS

RESEARCH | \$85,040

\$30,000
Partial
Payment

Investigator: Dr. Amy Bregar

Institution: Massachusetts
General Hospital/Harvard
Medical School

Project: Early Detection of
Ovarian Cancer by Uterine
Lavage DNA Genome-Wide
Methylation Analysis

\$55,000

Investigator: Dr. Janna Burdette
(to be performed 2023)

Institution: University of
Illinois at Chicago

Project: Tiny proteins in vaginal
lavage for early detection of high
grade serious ovarian cancer

AWARENESS

8,875

Community Members Educated

Through the A State of Teal Awareness program, including our Speaker's Bureau, Awareness Booths and Events, and our Annual Lighting & Proclamations Campaign

496,350

Impressions made through the September Awareness Campaign

SUPPORT

3,125

Patients & Survivors Assisted

Through CanSurvive meetings, clinic visits, Comfort Care patient care bags, patient assistance applications, holiday assistance and holiday bags, Woman to Woman survivor-to-patient mentoring program, and other direct financial assistance

\$66,824

Direct Financial Support Provided

Example: rent, utilities, groceries, gas cards and transportation to treatment

ABOUT LAURA

In 2009 Laura Crandall Brown passed away at the age of 25 from ovarian cancer. Her loving and courageous spirit inspired her friends and family to create the Laura Crandall Brown Ovarian Cancer Foundation to honor her life, memory, and vision of helping others. Today, the Laura Crandall Brown Foundation works to fulfill a threefold mission: offering hope through early detection research of ovarian cancer, empowering communities through gynecologic cancer awareness, and enriching lives through support.
